EVENT STABLING INFORMATION

Stalls are bedded down with sawdust (or shavings for an additional \$10) and prepared with two fresh water buckets. Overnight stabling includes feeding of owner-provided grain and hay as instructed. Water buckets will be topped off at night check and sheets applied as instructed. The standard fees are \$15 for one day and \$25 for the weekend. If desired, second-cutting hay grown on the property is available for \$6 per bale. The stalls can be bedded down with shavings instead of sawdust for an additional \$10.
